## One Month Forecaster

As the planets move around the zodiac they make 'aspects' or angles to the planets in your birth chart. In astrology these 'aspects' are called 'transits' and they are detailed in the pages that follow.

Sometimes a planet may aspect another, then appear to move forwards and then backwards for a long period of time recreating the same 'aspect' several times over. This backwards motion is known as 'retrograde' motion.

This forecast can be used as a helpful guide to the next month. At all times it is for you to choose the best path to follow and develop the most positive parts of your character.

### From about: 1 June 2009 to about: 15 June 2009

 transiting your natal 4th House

#### Protection

Your focus is likely to be on domestic issues. You will either want to be in familiar surroundings or find yourself tied to the home in some way. Past memories relating to family matters may now come to the fore. There may also be a struggle to define your individuality on the home and family front. Avoid the danger of deriving too much of your identity from your family background. On the other hand, there is also the danger of rejecting your background completely in order to free yourself from its limitations and influence.

Neither your own individuality nor your family background should be rejected. The task now is to learn to balance the two, acknowledging your heredity and developing your own uniqueness.

#### Analytical

You will possess much nervous and intellectual energy with the focus being on close family, local residents, travel, communication and education. Driven by an insatiable urge to learn as much as you can, you will enjoy talking and being with others. There will be more group discussions than usual and you will probably have something to say about almost anything. However, do try to control the tendency to express opinions before all the facts are known. With mind and body so active, you will now be something of a live wire, always changing, always on the go and endlessly curious about everything around you.
